

# Monthly loads moving in January 2004

## Major intermodal lanes of the U.S. and Canada

Loaded trailers and containers moving between regions in January 2004

- 100,000 or more loads
- 35,000-100,000 loads
- 4,000-35,000 loads

Trailers and containers are counted as individual units, not 20-foot Equivalent Units (TEUs).

Only loaded moves are counted. Only interregional moves are counted.
