BACK ISSUES: Limited quantities of the January, February, March, May, July, September, and December 1996 issues of CTT are available for \$4.50 each. Also available at the same price are Summer and Fall 1988; Summer 1989; February, April, June, August, October, and December 1990; April, June, August, October, and December 1991; August, October, and December 1992; January, March, May, July, and September 1993; January, March, May, July, September, and November 1994; and January, March, May, July, September, November, and December 1995.

Send all orders to Kalmbach Publishing Co., Dept. CK094, 21027 Crossroads Circle, P. O. Box 966, Waukesha, WI 53187-0966, or call toll-free 800-533-6644 (outside the United States and Canada, call 414-796-8776).

Orders must include payment for postage and handling: United States \$3 for fourth class or \$4.50 for UPS; Canada \$5; all other foreign \$10. Maryland, Michigan, Virginia, and Wisconsin residents add 5 percent sales tax to total. Canadian orders add 7 percent GST to total. Payable in U. S. funds. Prices and availability are always subject to change.

CLASSIC TOY TRAINS

FOR THE COLLECTOR AND OPERATOR

INDEX

Volume 9
1996

©1996 and 1997 Kalmbach Publishing Co., 21027 Crossroads Circle, Waukesha, WI 53187. No part of this volume may be reprinted without the specific permission of the publisher.

USING THE INDEX: Most feature material has been indexed six or more times: by the title under which it was published; under the author's last name; by subject, usually falling under one or more of the CTT subject categories; by the era during which the train(s) described was made; by the gauge or scale of that train(s); and by the manufacturer of that train(s).

An asterisk (*) preceding an entry indicates a feature by its published title.

These are the CTT subject categories:

- Accessories
- Cars
- Collectors/operators
- Concept and commentary
- Construction and maintenance
- Cover photos
- Display and storage
- Electrical and control
- Era
- Gauge and scale
- Gilbert: The story
- Historical

- Identification and dating
- Interviews
- Layout descriptions
- Lionel: The story
- Locomotives
- Manufacturer
- My greatest find
- Obituaries
- Sets
- Tinplate prototypes
- Track plans

These are the indexed CTT departments:

- Bookshelf
- Classic train sets
- Conversation pieces
- Display case
- Editorials
- News items
- Product reviews
- Product showcase
- Q's & A's
- Scrap box
